#SCTEXPO21
SNOMED CT Expo 2021
A Virtual Event

SNOMED CT Expo is an annual event where a diverse range of global stakeholders gather to learn and share experiences with how SNOMED CT enables data driven health systems and improved patient outcomes.

In 2021 SNOMED International is celebrating 10 years of hosting SNOMED CT-focused events. This year’s event will build on our previous successes with both in person and online/virtual events.

50+ Countries Represented

15+ Sponsors/Exhibitors

1700+ delegates

Attendees at SNOMED CT Expo 2020 (held virtually)
Again for 2021, the SNOMED CT Expo will be hosted as a virtual event.

A New Delivery Model

Online Participation

Extends the reach of the event and provides the opportunity for even more people to participate, learn and interact in an immersive 3D virtual environment.

New Connections

Enables exhibitors and sponsors to connect with a broader universe of current and potential customers.

We’re applying all the lessons we have learned from a decade of hosting successful SNOMED CT events to ensure that 2021 continues to strive for event excellence.
Showcase
Showcase your products and services to an in person and virtual audience.

Connect
Connect and network with a growing number of current and potential customers from around the globe.

Demonstrate
Demonstrate and promote your industry leadership.

Benefit
Experience lasting benefits from our promotional activities before, during and after the conference.

Learn
Learn from implementers and users how SNOMED CT is being adopted and used in their local environment.

Why should market leaders and innovators participate?
A Truly Global Event

The annual SNOMED CT Expo takes place in a different region/Member country each year.
