

Commercial Development License Fees

1. The “**Company Size**” is defined by the number of staff members employed by the company globally.
2. The Commercial Development License Fees, as defined below, are applicable for use of SNOMED CT in non-member countries prior to implementation.
3. Development license fees provide access to SNOMED CT for a period of 24 months.

Commercial Development License Fee Calculation

4. The License Fees are determined according to the Company Size (number of employees), as follows:

Company Size (number of employees)	Commercial Development License Fees
1 to 50 (inclusive)	Gratis
51 to 500 (inclusive)	US\$2,500 per 24 months
More than 500	US\$5,000 per 24 months

License term

5. The Development License term shall not exceed two calendar years.

Reporting Requirements

6. Licensees under the Commercial Development License conditions can be requested to report on their progress and status of SNOMED CT use following 12 months from the license start date.
