Hospital Band C and D Territory (lower-middle-income economy)	\$563,00
Practice in Band A, B, C or D Territory	\$563,00
Hospital or Practice in Band E Territory (low-income economy)	\$-
Other territory as per paragraph 6.2 in the Articles	See Note 2 below

Annual Fees for each Data Analysis System	
Non-Member Territory Band (see Table 1)	Annual Fee in US Dollars (per annum)
Band A Territory (high-income economy)	\$1.688,00
Band B Territory (upper-middle-income economy)	\$1.126,00
Band C and D Territory (lower-middle-income economy)	\$563,00
Hospital or Practice in Band E Territory (low-income economy)	\$-
Other territory as per paragraph 6.2 in the Articles	See Note 2 below

Note 1

The IHTSDO does not charge fees for use in IHTSDO Member Territories.

Note 2

Before using SNOMED CT in a Non-Member Territory which has not been allocated to a Band, you must contact the IHTSDO (info@ihtsdo.org) requesting allocation of that Territory to an appropriate Band. For details see Paragraph 5.2 in Appendix B of the [SNOMED CT Affiliate License Agreement](#).

Note 3

The fees shown in this document were approved by the IHTSDO General Assembly in October 2010. Bands are revised each year in accordance to data as published by the World Bank.
